

# 2016 HRDC MEMBERSHIP APPLICATION FORM

Now that the HRDC is entering its sixth Season, we should now be able to expect that all who are involved in racing with the HRDC become full members of the Club on an equal basis.

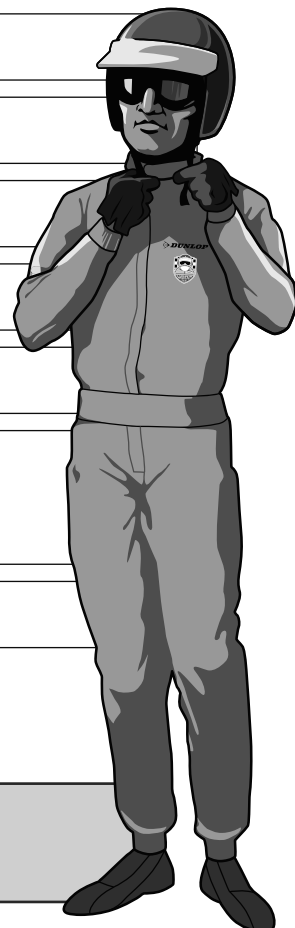

Due to the ever-increasing costs of circuit fees and the Club's ongoing battle to contain costs, whilst endeavouring at all times to offer entry fees at a competitive level; the HRDC regrets that it can no longer afford to maintain its past offer of free membership with pre-paid season fees.
